Re: Northern Industrial Training, LLC  
Joe Crum

Dear Mr. Hildebrand,

Our customer, Mr. Joe Crum, owner of Northern Industrial Training (NIT) has requested we share his banking relationship with you as part of a State of Alaska Capital Budget request.

Joe is in the market to provide occupational training for residents of Alaska and has applied for a State of Alaska Capital Budget request to further these goals. This letter shall confirm our business relationship and his ability to borrow funds to facilitate his Capital Budget request. Consistent with the terms of the budget request, First National Bank is prepared to lend NIT and Joe Crum \$250,000+.

Over the last ten years, we have made many loans to NIT and to the Crums, totaling several million dollars. All existing outstanding loans are current and paying as agreed.

Mr. Crum is a valued client of First National Bank and has always conducted his business affairs in a very responsible and conscientious manner. I would appreciate any consideration given to him to help facilitate his business transactions. Please feel free to contact me if you need additional information.

Sincerely,

Craig A. Thorn, Sr. Vice President
